DIRECTIONS

WorkCare is in Logan Professional Park - a group of office buildings on Route 13 between Carbondale and Marion.

To Enter Logan Professional Park:

From Route 13, turn North on Route 148 at the stoplight adjacent to the Williamson County Airport. The **FIRST** left is Rushing Drive. It looks like a driveway, but it's the road before Pauly's and across from the Fire Department.

After entering Logan Park or Rushing Drive you will drive past other office buildings before coming to Logan Drive. Turn Right (north) on Logan Drive between Logan Primary and Womick Law Firm. Workcare is directly at the North end of Logan Drive.
